ASTILBE JAPONICA (Spiraea)
Forcing Varieties.

We are now growing this popular florist's plant in large quantities in our Springfield Nurseries. Our soil conditions are particularly adapted to the production of good sized clumps with plenty of forcing eyes. Astilbes are coming back into favor by leaps and bounds—many of the leading forcers of the country are now turning to us for their supplies. Ours is the only firm in America making a specialty of lining out grade Astilbes for spring planting—note the thriftiness of the plants illustrated below. Your spring order will be selected from 200,000 plants of the same good quality.

New Oriental Poppies
For the first time, we are in position to offer in quantity a selected list of new varieties, each one of which is distinctly superior. The plants offered are from 2 3/4-inch pots.

FLANDERS—Considered one of the best new oxblood red varieties, a rare new shade in Poppies. 50 cents each, $5.00 per 12, $35.00 per 100.

LULA A. NEELEY—This variety is our favorite. Good strong stems support flowers of brilliant oxblood red, the color holding until the last. We predict that this variety will become the most popular Poppy in America within a few years. $1.00 each, $10.00 per 12, $60.00 per 100, $500 per 1000.

MASTERPIECE—A new silvery pink Poppy of great beauty. An excellent keeper when cut. 50 cents each, $5.00 per 12, $35.00 per 100.

MRS. PERRY—Although this Poppy has been on the market for several years, it is not widely distributed. A bright clear pink color combined with vigorous growth makes Mrs. Perry one of the most beautiful varieties. $2.25 per 12, $15.00 per 100, $125.00 per 1000.

ORANGE QUEEN—We offer a selected type of this popular orange variety. Vigorous in growth and very early. $1.40 per 12, $10.00 per 100, $95.00 per 1000.

PROSPERPINE—Of the scarlets, Proserpine, with its striking buds, heavy stems and massive flowers, is undoubtedly the best. You cannot be without this brilliant variety. $3.50 per 12, $25.00 per 100, $200.00 per 1000.

TRILBY—Enormous flowers of cerise scarlet. Very scarce and among the leaders. 50 cents each, $5.00 per 12, $35.00 per 100.

WURTEMBERGIA—A striking flower of great size and substance. Brilliant scarlet in color. $3.50 per 12, $25.00 per 100.

GOOD & REESE ORIENTAL HYBRIDS—We are confident our customers will find these new hybrids the finest ever offered. The plants are grown from seed saved from new named varieties of pure white to deepest maroon, through intermediate shades of pink, orange, and scarlet. $1.80 per 12, $12.00 per 100, $100.00 per 1000.
